

MISSION STATEMENT

BGWSD's mission is to provide high quality, reliable, sustainable water and environmentally responsible treatment of wastewater with a commitment to service excellence for the well-being of the community in the most efficient and economical manner.

BGWSD's Purpose:

1. Comply with state regulations by acquiring and building the required knowledge. We plan to achieve this goal through regular scheduled water and wastewater testing.
2. Provide prompt, courteous and attentive customer service to everyone.
3. Ensure that sound, responsible financial management practices are in place.
4. Operate efficiently, effectively, and safely.
5. Promote ethical behavior in the conduct of the District affairs.
6. Anticipate future needs of District infrastructure responsibly.
7. Retain a qualified, productive workforce and maintain a workplace environment where diversity and excellence are valued, and where creativity, teamwork and open communication are actively practiced.
